Big Horn REA Roundup Foundation

Operation Roundup
Small Change that Changes Lives

What is Operation Roundup®?

As a Big Horn REA member, you have a unique opportunity to support Operation Roundup® and the Big Horn REA Roundup Foundation, a program that provides financial support to organizations and individuals in our area. The concept of the program is an extension of the principle on which electric cooperatives were built more than 75 years ago—neighbors helping neighbors to benefit the communities in which we work and live. All that is required is the “round up” of your power bill.

How does it work?

Operation Roundup® gathers voluntary contributions from participating co-op members by “rounding up” their monthly bills to the next dollar. For example, your bill of \$52.73 would be automatically rounded up to \$53.00, with the additional \$.27 cents going to the Operation Roundup® Fund. The most a member could contribute for any single meter per year would be \$11.88. The average contribution per meter is \$6.00 annually. Donations are tax deductible, and participants are sent a summary of their yearly contributions on the billing statement they receive in January of each year.

Who decides?

All donations are placed in a trust and administered by the Big Horn REA Roundup Foundation Board. This board is separate from the Big Horn REA Board of Directors, and all areas of Big Horn REA’s service territory are represented on the Roundup Foundation Board.

The Roundup Foundation Board receives and evaluates all requests, determines who receives the funding and how all Operation Roundup® monies will be distributed. The funds are to help the less fortunate, and charitable organizations in need.

Can it make a difference?

Giving help to those in need has never been easier. The Big Horn REA Roundup Foundation has the potential to make an overwhelming difference for the less fortunate throughout our service area.

This may seem like small change, but multiplied by our 3,000+ members, it is small change that can change lives.

Your small change, together with other members, will make a big difference in our communities.

It is exciting to think how this program can benefit the communities that Big Horn REA serves.

We urge your participation in this valuable program.

The choice is yours. If you choose to contribute, please fill out the form on the back and mail it to us with your next payment or call our office at 1-800-564-2419 or 307-568-2419.

Thank you for your generosity!

Ben Franklin once said, “A penny saved is a penny earned.” A frugal and financially savvy man, he was never one to scoff at the value of even one cent. At Big Horn REA, we believe in the power of pennies, too.
